

# MODEV 2024-2025 SELECTION CRITERIA

---

For both scholarship applicants and non-scholarship applicants, the selection process is conducted using a range of criteria, including educational attainment, professional background, applicant profile, the significance of the dissertation project, and performance on a written examination. The goal of the selection process is to maintain a balanced representation in terms of geographical diversity and gender.

## **NON-SCHOLARSHIP APPLICANTS ELIGIBILITY CRITERIA**

- ✓ Minimum 4 years of higher education
- ✓ 3 years of professional experience
- ✓ Fluency in French and basic knowledge of English
- ✓ Professional interest in development project management

## **SCHOLARSHIP APPLICANTS SELECTION CRITERIA**

- ✓ Be under 45 years old
- ✓ Minimum 4 years of higher education
- ✓ 3 years of professional experience, mainly in the field of development
- ✓ Fluency in French and basic knowledge of English
- ✓ Be currently employed in an institution in the South that works for the Sustainable Development Goals, preferably in relation with the French Development Agency or likely to be, and have the commitment of this employer concerning the partial coverage of the MASTER fees (see below).
